

Dear Friends and Families

I hope you enjoyed the holiday break with your children. During this time our school was anything but quiet, with a range of contractors on site making improvements to our great school environment.

I'm sure you have noticed the new fencing along the front of the old site and the missing piece in the Dental Clinic car park is finally being completed, including an extra gate by Room 6.

The upgrade of the middle team toilets is nearly complete. We have moved the boys' toilets closer to the classrooms utilising the two smaller bathrooms (previously unused) and putting internal access into one of these. The girls' toilet also has internal access into the main corridor. These changes have created two extra storage spaces, which I'm sure will be very useful.

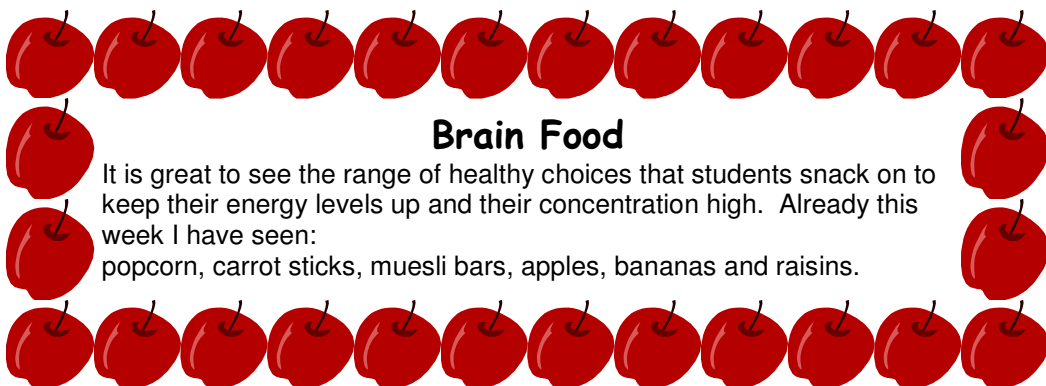

Parent, Teacher, Student Conferences

Included with today's newsletter is an invitation (from staff and your son/daughter) to attend our 3 way conferences on 5 and 6 August. We really value this opportunity to share your child's progress and discuss their next learning steps.

Children need to attend these conferences as they will be sharing their learning with you too.

Please be aware that school will finish at 2.00 pm on these two days. Please mark the date on the calendar, indicate when you are available on the form, what arrangements will be made for your child on these days from 2—3 pm and return it to school by Tuesday next week.

Brain Food

It is great to see the range of healthy choices that students snack on to keep their energy levels up and their concentration high. Already this week I have seen:
popcorn, carrot sticks, muesli bars, apples, bananas and raisins.

Uniform

Our students look fantastic in our school uniform. It shows that we are proud to belong to Marton School. I will be following up on students who are wearing alternative clothing. If you have lost clothing check the lost property box. Please name your child's uniform.

Edd lost his sweatshirt at the end of last term. It is named. If you find it, please return it to Room 7.

Weekly Challenge

Week 10-Challenge Winners

Junior	Jessica	8
Middle	Joey	8
Senior	Eva	46

This Weeks Challenge

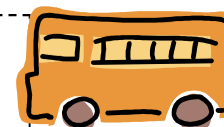

Junior	Which island in NZ experienced an earthquake last week?
Middle	In which part (region) of NZ did the earthquake occur?
Senior	How strong was this earthquake?

TV Parenting Programme

If you didn't see The Politically Incorrect Parenting Programme last **Wednesday** on **TV 1 at 8.00 pm**, I would suggest you take a look next week. Nigel Latta, a highly respected NZ Clinical Psychologist talks about what parenting is all about in plain straight up language. He covers topics such as eating and sleeping and the basics of raising kids without all the hoop-lah.

Road Sense

Week 1 – School Bus Safety—With the help of your parents can you answer this weeks Road Safety Question —What are the 12 key messages/rules that will make us a safe and responsible bus passenger? Don't forget to include what we do with the things we carry. (Answers next week)
