

19 August 2010 - Week Five - Term Three

Dear Friends and Families

Wow - what a huge week it has been!
Everyone adapted so well to the changes in timetables at production. Well done.

We welcome Clarke to our school.

The Pernoferous Pumpkin Palava

We really enjoyed getting ready for our production and appreciate your attendance and support at our performances.

THANK YOU to Miss Warren for her enthusiasm, talent and organisation of the production.

Regional Mathex (Palmerston North)

13 August

Congratulations to our students who took part in this competition last Friday. They were excellent representatives amongst a crowd of 40+ local schools - in each year group. We would also like to thank the parents who helped with transport and supervision.

A big thank you to Mrs Bester for the effort and energy she put into training the team and ensuring they were well prepared for the day.

Mrs Bester was also part of the Manawatu Maths Committee and put in many hours out of school hours to make sure the event was thoroughly organised.
